## CONSTRUCTION LEADERSHIP COUNCIL

**WHAT IS IT?** The AGC of California Construction Leadership Council (CLC) provides young construction professionals (Ages 25 to 40) face-to-face collaboration with industry peers.

In this open forum atmosphere participants network and address the many important industry issues and concerns that face them today. The CLC offers the following opportunities:

- Encourages a higher level of involvement in AGC
- Fosters a strong network among peers
- Creates a foundation for future development of the industry
- Provides leadership skills through membership meetings and educational seminars
- Network with similar organizations in the industry

### THE CALIFORNIA CHAPTER OF THE CLC SPONSORS

**CLC WORKING WEEKENDS** – Held in various locations throughout California, these highly informative weekends offer educational workshops, presentations by experts in a variety of fields, construction site tours, keynote speakers and much more.

**LOCALIZED MIXERS** - for networking and exchange of ideas with other local AGC CLC members.
