

ASSOCIATE ACHIEVEMENT AWARD

Marjorie Del Toro, *ehs International, Inc.*

Marjorie Del Toro is currently President/CEO of ehs International, Inc. (ehsInc), a nationally recognized company specializing in environmental health & safety. Del Toro has extensive knowledge of the construction, water quality, wastewater industry and public agencies over her 19 years in industry.

ehsInc mission statement is “Protecting our workforce for future generations.” Del Toro took a childhood trauma and turned it into a solution. The senseless death of her uncle in 1978 due to poor workplace conditions sparked her desire to begin her journey to doing her part in keeping the workforce safe. Del Toro, begun her journey in 1997 with \$300 dollars and has turned it into a multi-million dollar enterprise.

Marjorie works directly with senior executives and their organizations to develop and implement solutions addressing the challenges of regulatory compliance and risk management. She has positively impacted many small, mid to large public agencies and companies in the manufacturing, construction and water/wastewater industry.

ehsInc’s innovative approach, exemplary understanding of today’s multi-generational workforce, utilization of all technology has to offer along with field personnel with field experience has gotten the attention of International organizations such as **Verizon-National, Disneyland World Resorts, Hyundai Gloves, SKANSKA, Hensel Phelps, Jet Propulsion Laboratory – JPL, and Metropolitan Water District.**

Marjorie’s extensive involvement in industry organizations demonstrates her commitment to assisting industries to develop safe work environments.
