California Constructor magazine is the only publication that reaches all segments of the construction industry throughout the entire state. It is the official magazine of the Associated General Contractors of California (AGC of CA), one of the largest chapters of the national Associated General Contractors of America.

California Constructor has a broad reach and influence, reaching all AGC of CA members plus all nonmember contractors throughout the state. It is also sent to key legislators and government agencies that make decisions on new construction and maintenance and hire contractors for these projects.

The circulation of California Constructor is 1,600 print subscribers and 3,800 online subscribers. The chart below shows the range of readers across the State of California.
